

HPGE ENVIRONMENTAL ART DAY

RUMBALARA
ENVIRONMENTAL EDUCATION CENTRE

Central
Coast
Council

Join us for the HPGE Environmental Art Day and connect with nature!

The program is an excellent way to support High Potential and Gifted Education (HPGE) students and will cover elements of the creative, intellectual and social-emotional domains.

LEARN ABOUT THE ENDANGERED REGENT HONEY EATER.

- Participate in an art workshop with renowned artist Jenny McCracken.
- Walk through Rumbalara Reserve and observe Regent Honey Eater habitat and food plants
- Sketch the bird under the guidance of Jenny to produce your artwork.
- Opportunity to take action and save this species in our community.

WEDNESDAY 26TH MARCH

 RUMBALARA ENVIRONMENTAL EDUCATION CENTRE

 9 AM - 3 PM

Don't miss this fun-filled opportunity to learn, create, and connect with nature!

Artist: Jenny McCracken
