

Endangered Flora (Plants)

The Threatened Species Conservation Act 1995 provides for two schedules of threatened species:

Schedule 1 - Endangered species, populations and ecological communities

Schedule 2 - Vulnerable Species

Key: Location Wyong = Wyong Shire Council Area Gosford = Gosford City Council Area, Both = Gosford and Wyong Council Areas.

Schedule 1: Endangered Species (Plants)

	Location
<i>Acacia terminalis</i> (Salisb.) J. F. Macbr. subsp. <i>terminalis</i>	Gosford
<i>Chamaesyce psammogeton</i>	Wyong
<i>Hibbertia procumbens</i> (Labill.) DC.	Gosford
<i>Persoonia hirsuta</i> Pers.	Gosford
<i>Prostanthera askania</i> B J Conn (=Strickland SF)	Both
<i>Prostanthera junonis</i> (=sp. Somersby)	Both
<i>Rulingia prostrata</i> q	Wyong

Schedule 2 - Vulnerable Species(Plants)

<i>Acacia bynoeana</i> Benth.	Both
<i>Angophera inopina</i>	Wyong
<i>Astrotricha crassifolia</i> Blakely	Gosford
<i>Bothriochloa biloba</i> S.T. Blake	Gosford
<i>Caladenia aff catenta</i>	Wyong
<i>Caladenia tessellata</i> Fitzg.	Both
<i>Cryptostylis hunteriana</i>	Wyong
<i>Diuris praecox</i>	Wyong
<i>Eucalyptus camfieldii</i> Maiden	Both
<i>Eucalyptus glaucina</i> Blakely	Gosford
<i>Eucalyptus pumila</i>	Wyong
<i>Genoplesium</i> (new species)	Wyong
<i>Grevillea shiressi</i> Blakely	Gosford
<i>Melaleuca biconvexa</i> Byrnes	Both
<i>Micromyrtus blakelyi</i> J Green	Gosford
<i>Syzygium paniculatum</i> Gaertner	Both
<i>Tetradlea glandulosa</i> Smith	Both
<i>Tetradlea juncea</i>	Wyong

Endangered Ecological Communities

Low woodland with heathland on hardened sand at Norah Head
