

## Rumbalara EEC video transcript

00:00 - Hi I'm Jamie and I'm Sam we're gonna  
00:04 - talk about biodiversity in our local  
00:07 - area biodiversity is the different kinds  
00:12 - of plants and animals also known as  
00:14 - flora and fauna plants and animals  
00:18 - depend on each other in many different  
00:20 - ways we then as many different plants  
00:24 - and animals as we can get in our local  
00:27 - area we have three main types of  
00:29 - different trees the Sydney red gum the  
00:33 - blood wood then eternally gum red gums  
00:38 - are easily identified by their reddish  
00:40 - colour block and their twisted branches  
00:43 - well let's get their name from the red  
00:46 - stuff that makes it look like they're  
00:48 - bleeding the scutella girl marks are  
00:52 - responsible for making the scribbles on  
00:54 - the scribbler gum trees when described  
00:57 - illegal marketer caterpillar it tunnels  
00:59 - through the woods to create scribbles  
01:02 - check this out  
01:04 - we found some other insects in our area  
01:06 - they determined  
01:08 - [Music]  
01:10 - these termite tracks lead to their home  
01:13 - mound so am I so important because they  
01:16 - hollow out the tree to make homes to  
01:18 - the animals check out this Holland what  
01:20 - is it here it's a largely rural kids  
01:27 - love to feed on flowers look there are  
01:32 - some other hollows in the trees as well  
01:34 - these are homes to Paulson's and riders  
01:36 - [Music]  
01:40 - in the understory there are plenty of  
01:43 - thanks to use gliders love feed on them  
01:46 - [Music]  
01:49 - so as you can see we have a lot of  
01:52 - biodiversity in our area everything is  
01:55 - connected  
01:56 - plants and animals rely on each other  
01:58 - the moths make marks in a tree the birds  
02:02 - and animals ease the flows and the  
02:05 - termites make homes for the animals we  
02:08 - hope you enjoyed our video and make sure  
02:11 - that you look out for your biodiversity  
02:13 - in your area  
02:15 - [Music]
