

Dial 'R' for recycle
Components and materials

Battery - Lithium oxide or Nickel cadmium or Nickel metal hydride.

Capacitors
 Niobium,
 Tantalum

SIM card,
 plastics, copper
 iron, tin, nickel,

buttons – plastic

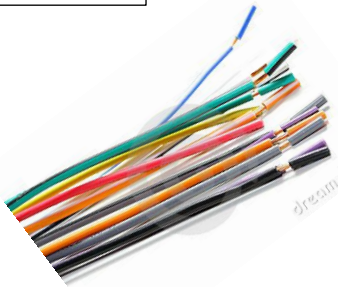

Assembly cleaning -Cerium

Microphones & speakers
 - neodymium, lead, iron
 copper, samarium

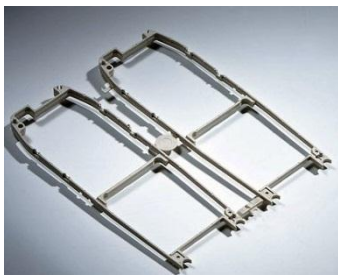

Screen / glass / display
 silicon dioxide, aluminium
 silicate, potassium, europium,
 sodium, yttrium, phosphorous,
 neodymium, zinc

Wires -
 plastic,
 copper

Antennae & transmitter - lead
 plastic, copper, nickel, iron

Casing & frames – plastic,
 aluminium, scandium

Circuit board - plastic,
 copper, zinc, gold, tin,
 iron, platinum, cobalt
 manganese silver,
